

TRADE NOTICE NO: 6/2024 DATED: 02.09.2024

Implementation of Document Management System in Business Interface Portal of KPL

The Trade is hereby informed that, KPL has implemented Document Management System (DMS) in Business Interface Portal (BIP) of KPL in order to Digitization of submission/receiving of documents to/from Port related to following cargo operations at General Cargo Berth I & II as per the direction Ministry of Ports, Shipping and Waterways under Ease of Doing Business in order to reduce the dwell time of the Cargo clearances at Port.

- Documents related to Import/Export of cargoes.
- Documents related to Gate In permission for the cargoes.
- Issuance of Gate Out permission for shutout and Plant-back cargoes.

The implementation of Document Management System in Business Interface portal of KPL shall ease the procedure of Import / Export clearance, Gate In of cargoes, Gate Out of shutout and Plant back cargoes and calculation of demurrage charges.

In this regard, Cargo Handling Agents are requested to register your agency in Business Interface Portal of KPL for utilizing the Document Management system in BIP in order to ease of process of cargo clearances at KPL.

For any other Details with respect to BIP related Login credentials and Procedure for uploading of cargo related Documents may contact Traffic Division.
